

KRISAT – LIBRARY

We are providing an evolving technology environment with effective services for the discovery and delivery of information to our students and users and also comfortable space for individual study and learning, equipped with appropriate infrastructure.

The library has been provided with sufficient reading area. Books are kept in spacious and attractive, nice looking racks. Reference and competitive exam books are kept in specially designed book shelves for students convenience. The reading materials provided in the library are Encyclopedia, Dictionaries, yearbooks, competitive exams and important books and periodicals. Every year books on various disciplines are added to the library as per the University specifications.
